PROUDLY PRESENTS

ART - IN - ACTION

LINDA FINCH Linda is the winner of both the 2019 President's Award and Ming Mackay Award and over the years she has entered in many art shows, participated in group exhibitions and won many varied prizes. After studying Graphic Art in the early '80s, Linda worked in the Graphic Design industry for many years before starting her family. She pursued her love of art by taking up painting, with pastel being her preferred medium. She now teaches Pastel painting at the Manningham Art Centre and Camberwell Community Centre. Linda has a fund of tips and tricks which she enjoys passing on.

STEPHIE CLARK from Armidale NSW is a largely self-taught artist who apart from a 2 week workshop in France followed by two weeks of painting alone in Paris, has developed her own style of pastel painting. She has won many prizes and has been featured with a front cover and an article in Pratique des Arts following a 2nd prize win in the Pastel Guild of Europe Open Online Competition. Painting with her 'dusty sticks of joy', Stephie is a prolific portrayer of 'Mother Nature in all her glory', particularly flowers. She regularly runs a '30 paintings in

30 days' program on Facebook. Her paintings jump off the page. Stephie will demonstrate how she paints something from nature. *[On Sunday, 5th April, Stephie will follow up this demonstration with a one-day workshop at Manningham Studios, Doncaster, 9:30 - 4:00 pm. Details later from Denise.]*
