TUTOR	Stephie Clark from Armidale NSW, is a largely self-taught artist who, apart from a 2-week workshop in France followed by two weeks of painting alone in Paris, has developed her own style of pastel painting. She has won many prizes and has been featured with a front cover and an article in Pratique des Arts magazine, following a 2nd prize in the Pastel Guild of Europe's Open Online Competition. Stephie is a prolific painter of 'Mother Nature in all her glory' and particularly with flowers. She regularly runs '30 paintings in 30 days' program on Facebook and her Patreon website. Her paintings jump off the page. Participation in this workshop, using photographs or a Still-Life set-up, will extend your pastel painting experience and show you how to produce loose, dynamic, vibrant floral paintings. Demonstrations will be given on how to prepare the paper, create backgrounds with multiple colours and techniques to show how to achieve depth and significant mark making in the painting with soft and hard pastels. It will be a full, busy and worthwhile day.
BYO	Lunch. (Tea and Coffee provided). Pastels and paper etc. (Easels, backboards and tables provided) Materials list will be provided on your registration to this workshop.
